

Introducing the new

BIKINI ZONE

Just in time for summer, our newest service will have you feeling your most confident.

Dare to bare! Our bikini zone treatment provides facial-like pampering to the bikini area. Help calm razor bumps, irritation, ingrown hairs, and inflammation with this purifying treatment.

Experience the soothing results from some of our favorite products, including the new CV Skinlabs line.

We use all-natural and organic ingredients in all of our services to give our clients with even the most sensitive skin a luminous glow.
