

Luminous Skin

We pride ourselves on using high-quality, plant-based ingredients. While some of our product partners utilize honey for its many skin care benefits, a vegan version of any of our facials is available upon request.

SIGNATURE FACIALS

HYDRATING • Dry, Mature, Environmentally Compromised

Antioxidants and anti-inflammatories work in harmony with the body's skin replenishing process, while organic and unrefined whole plant ingredients purify, nurture and deeply hydrate for unparalleled results.

SOOTHING • Sensitive, Red, Inflamed

Created specifically for sensitive skin, this facial reduces redness and inflammation, cleanses impurities and hydrates. Ultra-calming ingredients improve skin health naturally for lasting comfort and relief.

DEEP CLEANSING • Oily, Acneic, Combination, Normal

Skip harsh chemicals or acids with a raw, cold-pressed approach. This potent exfoliating treatment rescues dull, congested skin with a mask of natural, organically sourced ingredients.

SWEET CITY • Normal, Dry

Great for any skin type, this tiny tune-up goes a long way. It's our "tiniest" facial, but loaded with antioxidants that deliver a sweet treat for skin needing TLC. Add an enhancing mask to further customize the experience.

REJUVENATING • Stimulate, Purify, Support

Great for a wide range of skin types, a combination of potent enzymes and active ingredients stimulate and support the body's own regenerative process. Skin is transformed with absolute purity.

LUMINOUS • Brighten, Smooth, Protect

Naturally sourced Vitamin C, vegan hyaluronic acid, plant stem cells and antioxidants fight free radicals and deliver powerful skin refining results with this unique blend of concentrated pure vegan ingredients.

BODY TREATMENTS

BEAUTIFYING BACK

Men and women alike appreciate this facial-like experience for the back. Cleanse, exfoliate and help rid impurities with the choice of a hydrating or purifying mask and relax with a soothing warm oil massage.

ILLUMINATING BODY SCRUB

Full body exfoliation and warm oil massage leaves skin feeling like silk compliments of purifying Himalayan salts. Opt for our custom mask, wrapping the body in a basil-infused creamy, butter wrap.

BIKINI ZONE

The bikini line can present challenges for some individuals after the hair removal process. This treatment helps reduce inflammation, clear impurities, extract ingrown hairs and reduce discoloration.
